Tyre Tread Depth Gauge

Analogue dial type tyre tread depth gauge. Colour coded, using the traffic light system, allowing you to quickly check the measurement of (or demonstrate) tread depth. This easy to read gauge is supplied with a protective wallet - making this ideal for keeping in a tool box, glove box, or even with the spare wheel.

Additional Information

- Dial type tyre tread gauge.
- Clear display.
- Supplied in a wallet.
- Solid construction.
- Reset button.
