Crimping Tool Set 271pc

Crimping plier set, includes a crimping tool and 200 assorted terminals presented in a clear plastic case for convenient storage. The multi-purpose crimping tool has five useful features; wire stripping, bolt shearing, terminal pressing, wire cutting and connector crimping, suitable for use with insulated and non-insulated terminals. The heavy-duty pliers have hardened steel blades and ergonomic handles whilst the sizes are clearly marked on the jaws for easy identification. A useful kit suitable for a wide range of electrical work.

Additional Information

- Wire crimping tool with stripper & cutter.
- Tool length: 300mm.
- Includes 200 x insulated terminals, 50 x cable ties, 20 x insulated binding wire.
- Moulded grip handles.
- Printed with easy to read, colour coded wire sizes.
