LASER®

6532

Crimpwerkzeugsatz, 271-teilig

Crimping plier set, includes a crimping tool and 200 assorted terminals presented in a clear plastic case for convenient storage. The multi-purpose crimping tool has five useful features; wire stripping, bolt shearing, terminal pressing, wire cutting and connector crimping, suitable for use with insulated and non-insulated terminals. The heavy-duty pliers have hardened steel blades and ergonomic handles whilst the sizes are clearly marked on the jaws for easy identification. A useful kit suitable for a wide range of electrical work.
