

Air Chisel Set - Non Turn 5pc

Standard Air chisels rotate in use making them difficult to use in situations requiring precision. This set of 'non-turning' chisels gets round that problem.

Additional Information

- Profiles: flat, flat with indent, spot weld cutter, pipe cutter, edging tool.
- Standard air chisels turn in use making them difficult to use in precise situations. These chisels do not turn in use.
- Overall length: 180mm.
- For use with Laser Air Hammer - Part No. 6031.
- Manufactured from chrome molybdenum.
