

## Satz Steckschlüssel für Schlagschrauber – metrisch,

Extra deep 3/4" square drive impact socket set, single-hex (6pt) profile. The seven piece set covers a range of larger sizes from 24mm to 36mm designed for commercial vehicle maintenance and servicing. The generous 120mm socket depth is particularly useful when access is limited. Supplied in a robust carry case for portable, organised tool storage.
