

Funnel Set 3pc

Three-piece set designed for automotive use, includes one slim-line funnel and a pair of clip-on bottle funnels. The largest is extra-long and narrow making it ideal for filling hard to access tanks. The two clip-on funnels are notched to fit 25mm and 30mm diameter bottle necks and are a simple and effective way to pour fluids straight from the bottle without spillage. Manufactured from polypropylene the set is suitable for petrol, diesel, oil and brake fluid.

Additional Information

- Set of 3 funnels designed for automotive use; includes a large, slim-line funnel & a pair of bottle-neck funnels for quick, clean tank filling.
