

Detailing Brush Set 5pc

Detailing brush set includes five round head brushes in a useful range of sizes with soft, non marking bristles and long, slim handles, perfect for cleaning hard to reach areas. Cleaning is much easier with the right brush and this set means all those intricate automotive jobs are covered, from bodywork to grills and dashboards. Practical plastic construction with comfortable rounded handles and hanging holes for easy storage.

Additional Information

- A 5 piece set of assorted brushes designed for intricate cleaning jobs.
