

Automatic Locking Pliers 10"

Automatic curved jaw locking pliers, 7 times faster & twice as strong as normal grips. The 8022 locking pliers automatically adjust to the correct size to provide a strong grip every time.

Additional Information

- Maximum jaw opening range: 48mm.
- Overall length: 250mm (10").
- The curved jaw shape allows increased grip & better for fitting around curved work shapes.
- Textured handle provides improved grip.
- Jaw manufactured from chrome vanadium, handle from carbon steel.
