

Metric/Stubby/Star Spanner Set 30pc

A comprehensive metric spanner set in both regular and stubby lengths, which also features a set of double ended Star* profile spanners from E6 to E24, designed to fit Torx® bolts. The spanners are manufactured from chrome vanadium and have a mirror polished finish. They are supplied in an EVA foam tray, designed to fit roll cab drawers, keeping the tools clean, tidy and ready for use. The 30 piece set is a great tool kit for the home mechanic since it contains a useful selection of the most sizes, covering the most common applications in the workshop.
