

Low Profile Bit & Socket Set 52pc

A comprehensive set of low profile bits and sockets, supplied with a combined 252mm long flexi 72 ratchet spanner and bit driver together with 1/4"D extensions, ideal for reaching fasteners in hard to access spaces. The sockets range in size from 4 – 14mm, and are dual drive - 1/4"D or 11mm hex drive. The spanner features a retaining spring clip to keep the sockets secure and in place, with the bit driver end featuring a lever to change direction of the ratchet as required. It is also supplied with a 60mm long magnetic bit holder with quick chuck end, and a 1/4"D spinner for ease of use.

Additional Information
