

Insulated Plier Set 3pc

A set of 3 insulated pliers manufactured to IEC60900 standards, for safe operator use on live circuits up to 1000v AC and 1500v DC, from chrome vanadium with a satin finish and insulated handles with slip guards. Suitable for use by technicians and mechanics working on hybrid and electric vehicles, together with professional electricians and installers. Supplied in an EVA foam tray, designed to fit roll cab drawers, keeping the pliers clean, tidy and ready for use.
