

## Pull-Out Rechargeable Work Lamp

A multi-function work light that combines a 500 lumens COB work lamp together with a 100 lumens LED torch, powered by a rechargeable 1600mAh Polymer battery. The robust ABS plastic body features two knurled TRP strips for grip, together with a rotatable magnetic base and hanging hook. The LED torch is operated by the power button, while the COB work lamp automatically turns on when pulled up. It can also be rotated through 180° to ensure the light can be aimed exactly where it's needed, and is supplied with a USB Type-C charging cable.

### Additional Information

- Rechargeable work light featuring a pull-out & folding COB lamp, LED torch, hanging hook & rotatable magnetic base.
- Dimensions: 54 x 36 x 183mm (289mm when extended).
- Brightness: COB work lamp 500 lumens, LED torch 100 lumens.
- Working time: COB work lamp 4hrs (approx.), LED torch 10hrs (approx.) hours. Charging time: 4 - 6 hours. Powered by the built in 3.7V 1600mAh Polymer battery. Rechargeable from USB charging cable (included).
- Manufactured from ABS plastic, with thermoplastic rubber (TPR) grips. CE & RoHS compliant.
