

Folding Rechargeable Work Lamp

A multi-function work light that combines a fold out 500 lumens COB work lamp, featuring high and low settings, together with a 20 lumens LED torch, powered by a rechargeable 1800mAh lithium-ion battery. The robust ABS plastic body features two knurled TRP side panels for grip, together with a magnetic base and hanging hook. Both lamps can be rotated through 180°, with the COB lamp having a 360° swivel function to ensure the light can be aimed precisely where it's needed. Supplied with a USB Type-C charging cable.

Additional Information

- Rechargeable work light featuring a fold out COB lamp with 360° swivel function, LED torch, hanging hook & magnetic base.
