

Universal Oil Funnel Set 2pc

Oil funnel set, includes a 125mm wide funnel and a spring-loaded clamp for hands-free pouring. The clear spout makes it easy to check oil flow and it is stepped from 50mm to 40mm with a 20mm outlet, for efficient filling. The clamp can also be adjusted to fit other sizes of funnel, an innovative design for quick, easy, spillage-free oil top-ups.

Additional Information

- Hands-free funnel with a spring-action clamp to hold the funnel securely in position.
- Funnel dimensions: 125mm diameter x 250mm deep.
- Clear spout shows oil flow.
- Helps avoid oil spillage for quicker, cleaner filling.
- Funnel clamp ring (35mm diameter) can be height adjusted to fit other funnels.
