

Stubby Impact Socket Set 3/8"D 14pc

A full set of impact quality 3/8" square drive low profile sockets that includes all sizes from 6mm to 19mm. The shallow profile makes them ideal for use in areas where access is restricted. A good quality set manufactured from chrome molybdenum with a black phosphate finish for corrosion resistance. Designed for use with air/electric impact guns. A practical problem-solving set to have round the workshop.
