

Balance Shaft Alignment Tool - for BMW

Combines the BMW N47 balance shaft locking tool and the B47 & B48 locking tools into one simple to use tool.

Additional Information

- Application: B47/N47/B48 engines in 1, 2, 3, 4 & 5 series, X1, X3, X4, X5, Mini Clubman, Mini Hatch.
- Equivalent to OEM 2 288 054, 11 8 750 & 11 8 790 (11 8 791, 792, 793) combined into one tool.
- EU Registered design. This eliminates the need for a separate crankshaft alignment tool by combining the functionality of the OEM tools.
- Made in Sheffield.
