

Impact Driver Set 3/4"D 13pc

A heavy duty 3/4"D impact driver set with a comprehensive range of accessories including; nine impact bits, bit holder, adaptor and extension bar. The driver delivers a large amount of torque with one hammer blow to release seized or rusted components and it adjusts easily for clockwise and anti-clockwise use. The robust outer sleeve of the driver has finger ridges and a knurled shaft for excellent grip and comes in a durable satin-chrome finish. The kit comes in a blow mold case for convenient storage, ideal for workshop and automotive use.
