

Mini Work Lamp – 3W COB

A pocket sized mini work lamp that features a 3W COB light with a brightness range of 100 to 300 lumens, together with a super beam function that gives a 40 second burst of light at 500 lumens before switching down to the low (100 lumens) setting. It's powered by a rechargeable 600mAh lithium-ion battery, giving it a run time of 1.5 to 3 hours, all housed in a durable aluminium body. It also features a magnetic base to keep it in place and to shine the light where it's needed, together with a pocket clip to either allow it to be used hands free or to ensure it can be kept close at hand.
