

EP Star Impact Socket Set 15pc

A set of EP (6-sided) Star profile impact sockets, from sizes EP6 to EP32, for use on Torx Plus® fixings. This profile maximises torque transfer to the fastener, and is commonly found on specialist automotive applications, such as automatic gearboxes and clutches. All supplied in a sturdy blow mould case to keep the sockets organised. TORX® & TORX PLUS® are registered trademarks of Acument Intellectual Properties, LLC.
