

U-Type Security Bit Set 5pc

A set of 5 security bits designed for use on U-type, snake eye, 2-hole, or spanner type tamper proof screw heads. Manufactured from S2 silicon steel, with a magnetised tip, these 1/4" shank bits and magnetic holder are ideal for use with cordless screwdrivers fitted with a quick chuck, cordless drills and bit drivers.

Additional Information

- Suitable for use on tamper resistant U-profile/snake eye (2-hole) security fixings, typically used on electrical products.
- Sizes: U4, U5, U6, U7, U8.
- Bit length: 50mm, with 1/4" shank.
- Ideal for use with cordless screwdrivers fitted with a quick chuck, cordless drills & bit drivers.
- Manufactured from S2 silicon steel, with a magnetised tip. Supplied in a plastic storage case.
