

Socket Rails 1/4", 3/8", 1/2" 3pc

A set of three socket rails for 1/4", 3/8" and 1/2" drive sockets. The rails are made from stainless steel and each one has the capacity to hold up to fourteen sockets with mounting holes at each end for easy wall or cabinet mounting. A simple and effective way to keep sockets organized and ready for use.

Additional Information

- Set of 3 socket rails holds 1/2"D, 3/8"D & 1/4"D sockets.
- 14 adjustable socket clips per rail. Total capacity 42 sockets.
- Rail length: 400mm.
- Rails are drilled allowing them to be mounted onto wall or toolbox.
- Rail manufactured from stainless steel, socket holders from hardened & nickel plated high carbon steel.
