

Circlip Plier Set

A set of circlip pliers for internal and external use, with bent, angled and straight tip heads. The set includes three interchangeable, double-ended heads and a pair of spring-loaded handles with ergonomic plastic grips. High quality, hardened steel heads manufactured from chrome molybdenum with precision ground 1.2mm tips. A useful, compact tool set for circlip fitting and removal.

Additional Information

- 3 double-ended interchangeable heads: Straight, 45°, 90° tips.
- Hardened and tempered tips - 1.2mm.
- Set can be used for internal & external circlips.
- Spring loaded handles for control & precision.
- Manufactured from chrome molybdenum.
