

Oil Filter Pliers 95mm - 178mm

Adjustable oil filter pliers for removing spin-on type oil filters on HGV's from 95mm to 178mm diameter. Multi-position clamp head for fast adjustment and serrated jaws for a strong grip even on oily surfaces. The handles are plastic dipped for a non-slip comfort grip and the long length provides extra leverage, ideal for removing stubborn filters. Manufactured from black treated steel for durability and strength.

Additional Information
