

## Jeu d'entonnoir - 4 pcs

A useful set of four plastic funnels in graduated sizes from 50mm to 115mm diameter, ideal for the home, kitchen and workshop. The fixed spout design features a side handle and hanging hole for ease of use and they are made from polypropylene that is PAHS and REACH compliant. The funnels nest inside each other and clip together for space-saving storage, making it easy to use the right sized funnel for the job.
