

Quick Change Circlip Pliers

Quick change circlip pliers for internal and external use, with 90° and straight tip, 1.2mm and 1.8mm heads. Fast, tool-free, tip changing and a selection lever for easy switching between internal or external opening mechanism. The spring-loaded handles have ergonomic plastic grips for comfort and they also have storage space to keep the tips safe when not in use. A professional set that combines a wide range of circlip applications in one tool.

Additional Information

- Two functions in one tool: internal (22 - 48mm), external (8 - 48mm) circlip removal.
- Double-end straight tips: 1.2mm & 1.8mm, 90° tips: 1.2mm & 1.8mm.
- Spring loaded handles with soft grips.
- Jaw profiles: External & internal.
- Tips easily store in the handle to prevent loss.
