

Saugmatte für Öltropfen

Oil drip absorbent mat made from strong, tear resistant polypropylene for fast soak-up. Designed to absorb up to 2.6 litres of oil, brake fluid and petroleum-based fluids, with hydrophobic technology so pads will not soak up water. Extra-large size, 1000mm x 800mm with a plastic film backing to keep hands clean when handling, ideal for automotive use. Helps to keep the workshop floor tidy, and reduces slip hazard risk.

Additional Information

- Saugfähigkeit 2,6 l pro Matte
- Nimmt nur Öl auf (kein Wasser)
- Kunststofffolienrückseite als Bodenschutz, 100 % Polypropylen
- 1000 mm x 800 mm x 2 mm (inkl. Folie)
- Gewicht: 50 g
