

Insulated Socket Set 3/8"D 16pc

Fully insulated socket set, for live working up to 1000V AC / 1500V DC, ideal for hybrid and EV servicing and maintenance. The eight single Hex (6pt) 3/8"D sockets cover a useful range of sizes between 8mm and 22mm and the set comes with a complete range of accessories including a 3/8"D 45 teeth ratchet, T-handle, and two extension bars (150mm and 250mm). All the tools are fully insulated to VDE/GS and IEC60900 standards, approved for work up to 1000V and the set comes in a fully fitted carry case with integrated handle for safe, portable storage.
