

Ratchet Ring Combination Spanner 20mm

A 20mm ratchet ring combination spanner, with Bi-Hex (12pt) ratchet ring. The 72-tooth ratchet mechanism means that just 5° of movement is required, allowing fasteners to be turned quicker and making it ideal for use in confined areas. Manufactured from heat-treated chrome vanadium with a chrome-plated finish. Also available as part of a set, Part No. 9124.

Additional Information
