

## Top Suspension Mount Tool 3pc - for VAG

Unique top suspension mount tool set with a double sided 13mm, 6 / 8 point socket and a 14mm Bi-Hex socket for later VAG models.

### Additional Information

- 14mm Bi-Hex socket with 1/4"D offset for later VAG models (from 2016), 3/8"D x 81mm angled extension bar.
- 13mm double sided 6/8 point socket for earlier VAG models.
- Includes a uniquely shaped extension bar which eliminates the spring restriction.
- Manufactured from Chrome Vanadium, with a satin finish.
- EU Registered Design.
