

Flare Nut Wrench Set 1/4"D 9c

A set of nine crows foot wrenches in a range of smaller sizes, from 7mm to 14mm, with flex head handle and a 75mm extension designed to access hard to reach flare nuts and fasteners. High-quality, thick jaws machined to tight tolerances for maximum grip. A handy set manufactured from chrome molybdenum with a polished finish presented in an EVA foam tray for convenient drawer storage.
