

Insulated Water Pump Pliers 240mm

Insulated water pump pliers, manufactured from chrome vanadium with satin finish, with high voltage safety grip handles, suitable for use on live circuits up to 1000V AC or 1500V DC. VDE and IEC60900 certified. Standard length 240mm long pliers with a quick adjust ratchet mechanism that adjusts from 0-36mm. The pliers are designed to hold and apply torque, with serrated jaws shaped to grip round or flat stock making them ideal for a wide range of maintenance and plumbing jobs.
