

E-Socket Flexi Driver Set 5pc

Five-piece set of flexi shaft E-Sockets in a complete range of sizes from E4 to E8. The flexible shaft is ideal for automotive applications when access is restricted, including BMW brakes, transmission and air intake fasteners. The soft grip handles have finger and thumb indents and the sockets have a non-slip knurled finish for more purchase at the business end. A professional set supplied in an EVA foam tray, perfect for tool drawer storage.

Additional Information
