

Extra Deep Impact Socket Set 1/2"D 14pc

Set of extra deep, 1/2" square drive impact sockets, in single hex (6pt) profile. The 120mm tool depth is designed to reach the most inaccessible fixings. This 14 piece deep access set covers the most common sizes from 10mm to 32mm. Hardened and tempered to withstand the stresses of impact tool use this kit has been designed for the professional automotive workshop. Presented in a good quality blow-molded case with solid clip closures for safe and secure tool storage.
