

Ratchet Screwdriver Set 18pc

A comprehensive screwdriver set, including ratcheting and precision screwdrivers and a bit holder as well as a wide range of bits including Phillips, Flat, Star* and Tamperproof Star* and 9 metric, 1/4"D sockets with adaptor. The ratchet screwdriver stores the bits in the handle and there is a slimline bit holder as well as a precision screwdriver for precision adjustment, ideal for smaller fixings. Supplied in a handled storage case to keep the set safe and organised.
