

Levelling Ramps (Pair)

Levelling ramps with three lifting heights ideal for motorhomes or caravans and can also be used as standard car ramps.

Additional Information

- Three lifting heights: 40, 70, 100mm.
- Capacity: 4.9 tons/pair, weight 2.2kg/pair.
- Size (individual): 600 x 210 x (rising to) 130mm.
- The shape helps to prevent flat spots & damage to tyres. Can be used on suitable tarmac, grass or gravel surfaces.
- Manufactured from durable polypropylene.
