

Workshop Utility Cart, Twin Level

Two level utility cart manufactured from non-conductive, composite material. With a maximum loading capacity of 250kg, supported on castor wheels, this cart is ideal for the easy transportation and storage of tools in a variety of settings including garages and workshops.

Additional Information

- Max loading capacity: 250kg. Overall dimensions: 1030 x 430 x 835mm.
- 5" (125mm) castor wheels (2 fixed and 2 swivel) and a moulded handle for easy manoeuvrability.
- 2 shelves: 750 x 390mm with 70mm deep side rail to keep contents secure. Bottom shelf clearance 550mm, allows larger items to be easily stored.
- 5 additional smaller storage sections, perfect for fixings, consumables or small hand tools, plus cup holder.
- Colour: grey. Manufactured from non-conductive composite plastic (75% recycled). Supplied flat packed with instructions for easy assembly. Larger sized cart available, please see Laser Part No. 8090.
