

## LTR Chainring Nut Tool

Designed to access the narrow spaces behind the chainset, this low profile chainring nut spanner holds the nut still to prevent it from turning when tightening or loosening the chainring bolt using a Hex or Star key.

### Additional Information

- Low profile chainring nut spanner, designed to access the narrow spaces behind the chainrings.
- Double-ended to fit most slotted type nuts.
- Comfort grip for ease of use.
- Manufactured from chrome molybdenum.
