

Difficult Access Master Socket Set 3/8"D 12pc

A set of twelve difficult access 3/8"D window sockets in a useful range of sizes from 8mm to 19mm. These deep sockets feature a cut-away section to allow access to pipe connectors and wired sensor units and are particularly useful when loosening ABS pipes, master cylinder pipes, diesel injection pipes and wired sensors. A professional quality set manufactured from satin finish chrome vanadium and supplied in a rugged blow mould case.
