

Magnetic Flexible Mat

A low profile magnetic flexible tool and parts holder featuring 16 strong magnets embedded into the non-marring thermoplastic mat to hold tools and components, keeping them exactly where they are needed. The mat will fold, bend, or curve around any surface it's needed to, and will lay flat for easy storage when done. Ideal for use on the vehicle, in the tool box, or any other suitable ferrous surface.

Additional Information

- Multi-purpose flexible magnetic mat, ideal for parts, fixings & small tools.
- Size: 220 x 140 x 5mm.
- Manufactured from non-marring thermoplastic (TPE).
- Features 16 x strong (rare-earth) magnets (each: 25mm x 5mm). Holds up to 4kg
- Ideal for bicycle mechanics, automotive technicians, electricians, jewellers, modellers, hobbyists & DIYers.
