

Oil Service Station - 70L

A fully equipped mobile oil service station that combines a conventional height-adjustable gravity draining pan (1.6 to 1.9m), vacuum draining hopper and waste oil tank into a free standing fully mobile station. Also includes three storage drawers with a 61-piece set of oil filter cup wrenches & drain keys. A foam tray containing sump plug washers, sump plug repair kits, and assorted tools designed to fit in the third drawer is available as an add-on. See Laser Part No. 62984.
