

Deep Impact Socket Set 3/4"D 29pc

A 29-piece set of deep impact quality 3/4" drive single hex (6pt) sockets in sizes ranging from 19mm to 65mm. Manufactured from chrome molybdenum, designed to withstand the stresses of impact tool use. They also feature a practical black phosphate finish, offering improved corrosion resistance, together with a drilled collar to accept retaining pin or detent ball.
