

Oil Service Station Trolley 70L w/o tools

Suitable for workshops already using a Laser 9127 Oil service station which includes the tools, Laser 9286 offers the same convenient solution without duplicating the tooling. A mobile oil service station that combines a conventional height-adjustable gravity draining pan (1.6 to 1.9m), vacuum draining hopper and waste oil tank into a free standing fully mobile station. Also includes three storage drawers. A foam tray containing sump plug washers, sump plug repair kits, and assorted tools designed to fit in the third drawer is available as an add-on. See Laser Part No. 62984.
